AT A GLANCE

Dacia's practice focuses on complex business, construction law, insurance coverage and product liability. Dacia represents corporations and business owners in various contractual disputes. She represents owners, architects, contractors and geotechnical engineers in breach of contract and defective construction lawsuits. Dacia has experience defending insurance carriers against personal injury claims as well as uninsured/underinsured motorist claims. She also represents manufacturers against product liability claims. Dacia is experienced in discovery, motion practice and trial preparation in Ohio state and federal courts.

REPRESENTATIVE EXPERIENCE

Involved in litigation regarding complex business, construction law, insurance coverage and product liability disputes.

Currently representing surety company in multiple bond claim lawsuits.

Currently representing a public university in a lawsuit against contractors for defective construction requiring repairs in excess of \$4 million.

Currently representing manufacturers in product liability lawsuits.

Represents architects, builders and contractors in breach of contract and defective construction claims.

Represented insurance carriers in lawsuits regarding personal injury claims and uninsured/underinsured motorist coverage.

Represented homeowners in lawsuits against contractors and manufacturers to remediate mold problems in their homes.
