Overview

Linda's complex litigation experience includes product liability, medical device and pharmaceutical litigation, insurance coverage issues, antitrust, bankruptcy, securities law, admiralty, and intellectual property. She is also experienced in administrative and federal regulatory and compliance matters, including FDA approval for marketing products and compliance with manufacturing, marketing and advertising regulations.

Experience

- Extensive experience in the areas of drug and medical device defense, toxic tort litigation, and product liability.
- Extensive experience in class action and mass tort litigation involving drugs and medical devices, as well as other products.
- Extensive experience in appellate practice at both the state and federal level.
- Experienced in litigation in the areas of insurance coverage, antitrust, bankruptcy, securities law, admiralty, and intellectual property.
- Experienced in administrative and federal regulatory and compliance matters, including counseling of companies regarding FDA approval for marketing of products and compliance with regulations in manufacturing, marketing, and advertising those products.
