Overview

Larry is an experienced trial lawyer who concentrates his practice in the areas of business litigation and cases involving failure analysis, including product liability, construction defects, fire litigation, and subrogation. He has assisted numerous insurance companies in subrogation actions in state and federal courts to recover millions of dollars involving fire losses, defective products and machinery, and negligence. Larry also represents product manufacturers, suppliers, distributors, contractors, design professionals, and property owners in defense of claims arising from product failures and fire losses. In doing so, Larry has extensive expertise in site investigations and in working with experts to determine the origin and cause of losses or failures. Practicing in state and federal courts, he has extensive experience in all aspects of business litigation, including claims involving allegations of breach of contract, breach of warranty, fraud, breach of fiduciary duty, securities fraud, and RICO. Larry has been named to the Ohio Super Lawyers list and is rated AV Preeminent[®] by Martindale-Hubbell[®]

Experience

- Certified Fire and Explosion Investigator (CFEI) through the National Association of Fire Investigators (NAFI) and related training through the Institute of Fire Sciences (May 2005); International Symposium on Fire Investigation (June 2006); and NAFI/National Fire Protection Agency (NFPA) (March 2010).
- Has represented numerous insurance companies in recovering millions of dollars in subrogation actions in state and federal courts involving fire losses, defective products and machinery, breaches of warranty and contract, improper construction, fire suppression systems, negligence, and carrier liability.
- Has represented numerous product manufacturers, suppliers, distributors, and property owners in prosecuting and defending a variety of claims arising from construction defects, product defects and fire losses.
- Extensive experience in site and loss investigations to determine the origin and cause of fires, water leaks, and product failures or defects; including the retention of experts and coordinating multi-party investigations.
- Extensive experience in defending class action lawsuits, including the defense of nationally known manufacturer of nutritional supplements in several purported class actions involving allegations of consumer fraud; defense of public companies from claims of securities fraud and breaches of fiduciary duty.
- Extensive experience in state and federal courts in all aspects of business litigation including claims for breach of contract, unfair competition, trade secrets, fraud, tortious interference with business relationships, non-competition covenants, breach of fiduciary duty, RICO claims, shareholder suits, and general tort litigation.
- Extensive experience representing design professionals from claimed errors and omissions.
